The interview of the public selection for the assignment of no. 2research activities grants for the research program:

"Development of advanced hardware systems for accelerating artificial intelligence algorithms for HPC applications"

will be held, **on 10th october 2023 at 9 am**

The Committee resolved to interview candidates because the qualifications and publications assessment doesn't result in an exhaustive outcome.

The interview will be held remotely.

Candidates will receive a link to which they will have to connect in order to participate in the interview session created by the commission.

The link, however, will not be active before the same day set for the interview.

At the end of the interview, candidates can to know their rating at this link:

https://www.unipi.it/index.php/concorsi-gare-e-bandi

at the section "Prove, colloqui e sorteggi - Aule virtuali".

The link to the event will be published on the same page to allow connection to any third party who requests to assist.
