

The interview of the public selection for the assignment of n. 1 research activities grant for the research program:

“Explainable and Fair Ranking Methods in Artificial Intelligence for HR Decision Making: advanced eXplainable AI (XAI) paradigms in support of hiring decision making algorithms and processes. XAI methods will be designed and implemented for post-hoc explanation of fairness-aware ranking algorithms, and for explainable-by-design fairness-aware ranking algorithms. A multi-disciplinary approach will be taken, including legal, ethical, and computational requirements of the designed methods”

will be held, on 12th april 2023 at 2.30 pm, by article 6 of the call, the Committee resolved to interview candidate because the qualifications and publications assessment doesn't result in an exhaustive outcome.

The interview will be held remotely.

Candidate will receive a link to which they will have to connect in order to participate in the interview session created by the commission.

The link, however, will not be active before the same day set for the interview.

At the end of the interview, candidate can to know their rating at this link

<https://www.unipi.it/index.php/concorsi-gare-e-bandi>

at the section “Prove, colloqui e sorteggi - Aule virtuali”

The link to the event will be published on the same page to allow connection to any third party who requests to assist.
