

The interview of the public selection for the assignment of n. 1 research activities grant for the research program

“Spectroscopy and imaging in the infrared and THz regions for fruit and food quality assessment”

Project PNRR - CN2 - Agritech - Spoke 9 - CUP I53C22000700007

will be held, on **31st may 2023** at **9.30**, by article 6 of the call, the Committee resolved to interview candidates because the qualifications and publications assessment doesn't result in an exhaustive outcome.

Candidates will receive a link to which they will have to connect in order to participate in the interview session created by the commission.

The link, however, will not be active before the same day set for the interview.

At the end of the interview, candidates can know their rating at this link

<https://www.unipi.it/index.php/concorsi-gare-e-bandi>

at the section “Prove, colloqui e sorteggi - Aule virtuali”

The link to the event will be published on the same page to allow connection to any third party who requests to assist.
