

The interview of the public selection for the assignment of n. 1 research activities grant for the research program:

“Reflecting Intelligent Surfaces for Future Communications and Sensors”

will be held, on **7th september 2023 at 11 am**

The Committee resolved to interview candidates because the qualifications and publications assessment doesn't result in an exhaustive outcome.

The interview will be held remotely.

Candidates will receive a link to which they will have to connect in order to participate in the interview session created by the commission.

The link, however, will not be active before the same day set for the interview.

At the end of the interview, candidates can to know their rating at this link:

<https://www.unipi.it/index.php/concorsi-gare-e-bandi>

at the section “Prove, colloqui e sorteggi - Aule virtuali”.

The link to the event will be published on the same page to allow connection to any third party who requests to assist.
