

UNIVERSITÀ DI PISA

Excerpt from Rector's decree no. 333/2024

Call for the selection of 3 fixed-term Tenure Track Researcher (RTT)
(under Italian Law 240/2010, article 24)

Procedure with restricted access, according to the provisions from article 14, paragraph 6-septiesdecies of Law Decree no. 36/2022

The University of Pisa announces a call for 3 fixed-term Tenure Track Researcher (RTT) for the Departments and the Academic Fields or Academic Disciplines as listed in Annex A.

The fixed-term contract is to carry out research activities, teaching, integrative teaching activities and provide services to students, and involves a commitment of 350 hours, on a full-time basis.

The **Tenure Track Researcher (RTT)** is required to deliver lectures for a minimum of 36 up to a maximum of 96 hours per academic year, allocated as an institutional assignment for 'Bachelor's and 'Master's Degree Programs, Specialization Schools and PhD Programs. From the fourth year onwards, the maximum limit is increased to 120 hours.

Contract duration: max 6 years

Deadline for application: 29 March 2024, 1 p.m.

Admission requirements:

PhD or equivalent academic qualification awarded in Italy or abroad and recognized as eligible for admission.
or medical specialization, for the sectors concerned

As for qualifications awarded abroad, equivalency or comparability documentation must be provided as stated under:

D.Lgs.165/2001, article 38:

http://www.funzionepubblica.gov.it/sites/funzionepubblica.gov.it/files/modulo_equivalenza_Titoli_Accademici.pdf

Or under:

D.P.R. 382/1980, article 74:

<https://www.unipi.it/index.php/titoli-accademici-esteri>

As for an equivalent or comparable academic qualification, the candidate shall be admitted within the application's deadline and shall provide the qualification equivalency or comparability documentation before the signing of the contract.

Admission is reserved for those who are or have been holders, for a period of not less than one year, of "junior" researcher contracts (under Italian Law 240/2010, article 24, paragraph 3, letter a) or for subjects who are or have been holders, for a total duration of no less than three years, of one or more research grants (under Italian Law 240/2010 article 22)

Candidates are required to declare the following:

1. That they enjoy full rights of citizenship in their home State.
2. That they have not been convicted or found guilty of any criminal offence; in the event of any conviction, it is mandatory to provide the details of the relevant judgments and any pending criminal proceedings.
3. That they have not been dismissed or dispensed from employment by a Public Administration office for persistent unsatisfactory performance; that they have not been declared disqualified from State employment, in compliance with article 127, first paragraph, letter d) of the Consolidation Act of Provisions concerning State civil servants approved by Presidential Decree no. 3 of 10 January 1957.
4. That they are registered on the electoral roll.
5. That they have knowledge of the Italian language.

No admission to this selection for:

- Professors or Research Fellows with permanent positions at the university, currently employed or currently retired, as well as individuals who have benefited, for at least three years, from contracts for fixed-term tenure track researchers.
- Those who have a degree of kinship or affinity, up to and including the fourth degree, with a lecturer belonging to the structure where the contract is activated, or with the Rector, the Director-General or a member of the Board of Directors of the University cannot apply.

Applications:

Applications are to be submitted online only, using the following link: <https://pica.cineca.it/unipi/tipologia/docenti> or shall be invalid. It is necessary to have an email address to login and complete the application.

Applicants should fill in all the required data and upload all documents in PDF format.

The system allows saving a draft of the application within the application deadline. The system will register the online application date and send a receipt with an automatic e-mail reply. After the deadline, the system will allow neither login nor application submissions.

In order to be valid, the application shall include all the required data, the applicant's signature and a valid identification document.

Each application will be assigned a tracking number to be mentioned in all subsequent communications, together with the selection code provided by the application form.

Applicants undertake to communicate in writing any changes in what they declared in the application form.

The communication shall be edited in PDF format, signed and sent to the Rector of the University of Pisa via the Italian certified e-mail system address (P.E.C. Posta Elettronica Certificata) to protocollo@pec.unipi.it or via e-mail to concorsi@adm.unipi.it. 'A valid identification document of the applicant shall be attached.

For further information on application submissions, please refer to concorsi@adm.unipi.it.

For any IT malfunctioning please refer to the link at the bottom of the page: <https://pica.cineca.it/unipi>.

Applications shall be completed with the following attachments:

1. A self-attested curriculum in Italian language of one's personal educational, teaching and scientific activities, dated and signed;
2. A list of publications the applicant considers eligible for this selection, dated and signed;
3. A complete list of all publications, dated and signed;
4. A copy of the tax code (if applicable) and identification card/passport, dated and signed;

All publications should not exceed 30 megabyte and are to be submitted in PDF format only, using the specific section of the application form.

Selection procedure:

A Rector's Decree will appoint the Selection Committee, consisting of three members.

The selection will be made according to a preliminary assessment of the candidates with an accurate and evidenced analytic evaluation of the curriculum, of qualifications and scientific results, including PhD thesis.

After such preliminary assessment, the candidates that have comparatively proven to be the most meritorious will be admitted to an open interview; they will represent between 10 and 20 per cent of the total and will be not less than six. The interview will concern the applicant's qualifications and scientific results. In the event the number of applicants is six or less, all candidates are admitted.

Information about date, time, list of candidates admitted, and the conditions of the assessment interview will be published on the University website at the following link: <https://bandi.unipi.it/public/Bandi?type=RIC>, in the specific section reserved to the selection, 45 days after the deadline for the submission of the applications (with a guaranteed minimum of fifteen days' notice).

The publication on the University website is to be regarded as an invitation notice for the participants in the selection. Such notice must indicate the day and time; no further communications will be published. Failure to attend the interview will be considered as a voluntary withdrawal from the selection.

The discussion of qualifications and publications, even if it takes place in the form of a seminar open to the public, and the possible test to verify the linguistic skills referred to in article 7 of the relevant University Regulations, will take place in person or, where adequately motivated, remotely or in mixed mode, in compliance with the provisions of Presidential Decree no. 862/2022 of 23 May 2022.

During the discussion of qualifications and publications, an oral test will also be held to ensure adequate knowledge of the foreign language indicated in the announcement.

The Commission will declare the candidate's suitability or otherwise in terms of knowledge of the language.

Please note that the English version is given as a matter of courtesy, for the only purpose of information. It cannot be legally used in the event of a dispute or a claim arising from the interpretation of this translation and concerning the contents, a possible uncertainty, contradiction or discrepancy. Should this occur, the Italian

version of the call shall prevail as the only one valid. For the full Italian text see:

Selection code A1

Department of Philology, Literature and Linguistics

Academic Recruitment Field 10/G1 - HISTORICAL AND GENERAL LINGUISTICS

Academic Discipline L-LIN/01 - HISTORICAL AND GENERAL LINGUISTICS

No. of available positions: 1

Focus of research

The planned research activity fits within the lines of the scientific disciplinary field. It includes theoretical studies on language, the history of linguistic thought and studies of historical linguistics, with reference to the problems of change and the methodologies of comparison and reconstruction; it also includes the study of language variation, multilingualism and language contact, sociolinguistic and ethnolinguistic issues. In the field of language application methodologies, it includes the study of phono-acoustic, morphosyntactic and lexicographical aspects also with descriptive applications to languages and dialects, as well as psycholinguistics, the study of language pathologies, the interactions between linguistics and computer science and the problems of language education. It also includes the study of Baltic languages and related philology.

Scientific productivity

Publications in peer-reviewed journals; publications in scientific volumes and conference proceedings; participation in national or international conferences

Head office

Department of Philology, Literature and Linguistics

Specific teaching activity of the contract

L-LIN/01 courses in BA and MPhil courses and collaboration in PhD courses

Candidates may present a maximum of 12 scientific publications.

Candidates will be required to demonstrate adequate knowledge of the English language.

Selection code A2

Department of Information Engineering

Academic Recruitment Field 09/E3 - ELECTRONICS

Academic Discipline ING-INF/01 - ELECTRONIC ENGINEERING

No. of available positions: 1

Focus of research

Activities included in the SSD declaration with particular regard to devices, sensors, circuits and ICT systems that are highly innovative, adaptive and sustainable.

Scientific productivity

Scientific publications in international journals; design and creation of highly innovative prototypes for specific applications in collaboration with companies in the sector

Head office

Department of Information Engineering

Specific teaching activity of the contract

All those indicated in the SSD declaration

Candidates may present a maximum of 12 scientific publications.

Candidates will be required to demonstrate adequate knowledge of the English language.

Selection code A3

Department of Information Engineering

Academic Recruitment Field 09/F1 - ELECTROMAGNETIC FIELDS

Academic Discipline ING-INF/02 - ELECTROMAGNETIC FIELDS

No. of available positions: 1

Focus of research

Research activities on topics characterizing the scientific disciplinary sector ING-INF/02 “Electromagnetic Fields”, with specific focus on the development of propagation models, devices and wireless systems at RF and microwaves, for automatic identification, sensing, radio-localization, and, more generally, emerging wireless applications.

Scientific productivity

Advances in the state of the art in the topics within the scientific disciplinary sector “ING-INF/02 - Electromagnetic Fields”, documented by high quality publications in peer reviewed journals; participation to qualified international conferences; capability of acquiring funds for scientific and technological research and development at local, national, and international level and management of the related research projects.

Head office

Department of Information Engineering

Specific teaching activity of the contract

Basic and advanced courses within the scientific disciplinary sector “ING-INF/02 - Electromagnetic Fields”.
Management of teaching activities and projects.

Candidates may present a maximum of 12 scientific publications.

Candidates will be required to demonstrate adequate knowledge of the English language.
