UNIVERSITÀ DI PISA

The University of Pisa announces public selection procedures for the award of 1 **research assignment** in accordance with Article 22 ter of Law 240/2010 as set out in Annex A) to this call, in which the information sheets indicating the reference structure, the specific responsibility within the assignment (tutor) and the functions to be performed, as well as the scientific disciplinary area and information on the interview, are provided.

Deadline for submitting the application: 4th November 2026 at 1.00 p.m.

Contract duration: 12 months

All-inclusive annual administrative gross amount: € 28.000,00

Admission requirements:

• Master's Degree obtained no more than six years prior to the application deadline (pursuant to Ministerial Decree no. 270/2004, or specialist degrees awarded pursuant to Ministerial Decree no. 509/1999, and degree diplomas awarded under the regulations in force prior to Ministerial Decree no. 509/1999, deemed equivalent to the above-mentioned Master's Degrees pursuant to the Interministerial Decree of 9 July 2009). Only candidates holding a master's degree obtained no more than six years prior to the application deadline are eligible to apply. Candidates who fail to meet this requirement will lose the right to be awarded the research assignment.

Documents to be attached:

The application must include:

a) A comprehensive scientific-professional curriculum containing all the necessary elements for assessing prior activities and any relevant work experiences, in connection with the content of the assignment under consideration (specifically indicating: date/duration, place of completion, etc.);

b) A Master's Degree. Candidates holding a foreign master degree must submit the documents and elements useful for the assessment of equivalence to be carried out by the selection board; Documents issued in a foreign language other than French, English, German and Spanish, must be accompanied by a certified Italian translation that conforms with the original text, drawn up by the competent diplomatic or consular representation, or by an official translator.

c) Additional documents that the candidate deems useful for the selection purposes;

d) Publications that the candidate considers relevant for the selection, considering the maximum number set for the selection, as indicated in Annex A), with a list signed by the candidate;

e) Photocopies of the tax code and a current valid identification document.

Candidates must submit the publications they intend to present exclusively in PDF format through the dedicated section of the online procedure.

Each publication shall not exceed 30 megabytes.

Publications not enclosed with the application will not be considered by the Selection Board. Lists with links to texts are not allowed as a replacement for publications.

Applications

Applications must be submitted online only, using the following link: https://pica.cineca.it/unipi/ or shall be invalid. An e-mail inbox is required to login and complete the application.

Candidates can login into PICA platform using the digital identifier SPID (Sistema Pubblico d'Identità Digitale - Public Digital Identity System) or Carta d'Identità Elettronica (CIE), selecting the University of Pisa among the available Institutions.

If candidates do not have SPID/CIE, they can request it in accordance with the procedures set forth on the website www.spid.gov.it or www.cartaidentita.interno.gov.it.

Candidates can also login with the credentials issued directly by PICA platform (please note: in order to apply online, the system requires an e-mail inbox for self-registration), with their LOGINMIUR, REPRISE or REFEREES account.

Applicants must provide all the required data and upload all documents in PDF format.

The system allows saving an application draft within the application deadline, recording the online application's date and sending a receipt with an automatic reply. After the deadline, the system will not allow login nor application submission.

Each application will be assigned a unique identification number to be referred to in all subsequent communications, along with the selection code provided by the application form.

Under penalty of exclusion, the application shall be valid only if including all the required data, the copy of a valid ID and:

– if submitted by accessing the system without the SPID/CIE digital identifier, the applicant's signature is mandatory;

- If submitted by accessing with the SPID/CIE digital identifier, the application will be automatically processed by the system and the applicant's signature is not required.

Applicants undertake to promptly communicate in writing any variations of what declared in the application form.

The communication must be edited in PDF format, signed and forwarded to the Rector of the University of Pisa by the Italian certified e-mail system address (P.E.C. Posta Elettronica Certificata): protocollo@pec.unipi.it or emailed to concorsi_incarichi@unipi.it , within the application's submission deadline.

An applicant's valid identification document must be attached.

For further information on application submission, please refer to concorsi_incarichi@unipi.it .

For technical problems support only, please click on the bottom link available at https://pica.cineca.it/unipi.

Selection procedure:

For the selection under Annex A) the Director of the Department appoints a Selection Board consisting of the head of the assignment and two other members.

Candidates are assessed comparatively on the basis of the following elements:

a) Relevance and significance of the activities previously carried out, as well as any work experience, in relation to the contents of the assignment to the selection, in addition to documented qualifications (such as, for example, degree grade, postgraduate diplomas, any contracts, scholarships, conference presentations, and other documented qualifications);

b) Quality, originality and innovativeness of the attached publications, as well as their relevance to the assignment under consideration;

c) An interview aimed at assessing the knowledge of the basic subjects of the scientific disciplinary sector to which the subject of the assignment belongs, the suitability for carrying out the research activity under the assignment , as well as the evaluation of knowledge of the English language and/or other languages relevant to the research (as reported in Annex A). During the interview, the Selection Board also assesses the knowledge of the Italian language for foreign candidates.

The Selection Board has 100 points available for the comparative evaluation of the candidates: 60 points can be allocated for the criteria mentioned above under a) and b), and 40 points for the interview.

The Selection Board may stipulate a minimum score below which eligibility cannot be awarded.

Candidates are summoned for the interview on the day and time specified in the Annex A) for the procedure.

Failure to attend an interview by a candidate is considered an explicit indication of their intention to withdraw from the selection process.

Applicants for this selection are required to consult the University website at https://bandi.unipi.it/public/Bandi?type=IRIC **(on the selection procedure page) during the two days preceding the date set for the interview.**

On the University website (https://bandi.unipi.it/public/Bandi?type=IRIC), **in the section dedicated to the procedure, the following will be published**:

- **Assessment scores for criteria a) and b);**
- **The list of candidates admitted to the interview;**
- **Practical instructions for carrying out the interview and/or any details should the interview be rescheduled;**
- **The procedure approval decree and the merit ranking that takes into account the scores achieved by the candidates.**

ANNEX A

Selection code – inc-ric_dici2026_3

Department of Civil and Industrial Engineering

GSD 08/CEAR-03 – Infrastructure and transport engineering, real estate appraisal and project evaluation
SSD CEAR-03/C – Real Estate Appraisal and Project Evaluation

Supervisor of the appointee's activities (tutor):
Prof. Massimo Rovai

Project UCMAP

Title of the activities covered by the appointment:

Development of a Territorial Information System for Ecosystem Accounting in accordance with the SEEA-EA standard. The case of the Pistoia Apennines

Activities to be carried out (covered by the appointment):

• Implement the ecosystem accounting system in accordance with the international SEEA-EA standard.
• Collect, organize, verify and harmonize available environmental, territorial, economic and administrative data.
• Carry out field surveys, interviews and data validation activities with local authorities, operators and stakeholders.
• Perform GIS analyses for mapping ecosystem extent, condition and dynamics.
• Develop indicators related to the capacity of ecosystems to provide ecosystem services.
• Test and assess the application of the INCA tool, integrating it with regional and local data.
• Prepare thematic maps, transition matrices and ecosystem service supply-use tables.
• Contribute to the structuring and updating of the territorial database and to its interoperability with GEOscopio.
• Contribute to the preparation and management of seminars, technical meetings and stakeholder engagement activities.
• Draft interim and final reports, methodological documentation and materials for communicating project results.

Specific responsibility relating to the activities of the appointment and functions to be performed:

• Ensure the scientific and methodological soundness of the activities related to the implementation of the SEEA-EA system and the testing of the INCA tool.
• Ensure the quality, consistency, traceability and updating of the collected data, GIS analyses and indicators produced.
• Independently plan and carry out field activities, coordinating with the scientific coordinator, project partners and local stakeholders.
• Meet project timelines, deadlines and expected outputs, including the preparation of reports, documentation of procedures and presentation of progress updates.

Maximum number of publications that candidates may submit, including the doctoral thesis, if submitted: 2

Language skills:
English language

Date, time and mode of the interview:

12th November2026 at 3:00 pm in telematic mode.
